Welcome to the Outdoors

OUTDOORS RV

Our company focus is to design and build recreational vehicles for the customers who desire to enjoy the Outdoors, no matter the terrain or weather. We call it "Mountain Tough Four Seasons Camping."

Just like the picturesque Oregon mountain valley where our factory is located, the RV adventurer of the Western United States and Western Canada will find beautiful pristine alpine lakes, rugged snow capped mountains, lush rain forests, beautiful desert landscapes, and incredible ocean views to explore.

We here at Outdoors RV are proud RV owners and love the Outdoor lifestyle. In our many adventures we have had customers tell us that they wished a manufacturer would build an RV that was designed for our backyard versus the industry standard that is designed for the pavement and the 3 summer months.
